Fair for Farm Boys.

The State Fair commission and the Vermont Agricultural Extension service are co-operating in holding a fair for farm boys at the State fair, White River Junction, September 15 to 18 inclusive. The camp will be in charge of competent leaders from the extension service, who will give them competent instruction covering the good and bad points of the exhibits.

All expenses of the boys for the entire week will be paid, including car fare from the nearest railroad station. In return for this the boys will be expected to render slight service to the fair authorities.

It is planned to have 25 farm boys in the camp; one from each Pomona Grange district, who must meet the following regulations:

Must live on a farm.
Must have passed his fourteenth birthday and not yet reached his eighteenth birthday.
Must be of good moral character.
Must be willing to submit to and obey the rules of camp.
The selection for candidate from C. J. Bell Pomona district will be made by ballot at the meeting in Cornwall, Wednesday, August 12, 1914.

REV. R. B. ESTEN RESIGNS.

Dr. W. A. Davison of Burlington, secretary of the Vermont Baptists, officiated at the regular service of the Memorial Baptist church Sunday morning and at the close of the sermon read the resignation of the Rev. R. B. Esten as pastor of the church, to take effect September 1. At the business meeting held at the close of the communion service it was voted to accept his resignation, with regret. Dr. Esten, who has been here for four years, has been called to the pastorate of the churches at Enosburg Falls and East Enosburg, which he has had under consideration. His son, Stewart, who was graduated from Middlebury college this year, has been engaged as principal of the high school at Enosburg Falls. There will be no morning or evening service for the next three Sundays, but the Sunday school, the Young People's union and the mid-weekly prayer meeting will be held as usual. During this time repairs will be made to the church, including a new asbestos floor in the vestry. Dr. Esten's resignation was a complete surprise to his congregation. During his stay here he has made many friends, who wish him success in his new field. Dr. Esten is at present enjoying a month's vacation in Maine.

Two Suffer Paralytic Shocks.

Charles J. Bullock, aged 54 years, an employe in the Register office for the past nine years, suffered a paralytic shock while at his work on Friday afternoon at 3:30 o'clock. The whole right side was affected. Dr. S. S. Eddy was quickly summoned and gave temporary assistance, after which the unfortunate man was taken to his home on River street. His condition at this time shows a slight sign of improvement. Mr. Bullock was apparently in the best of health when he returned to his work in the afternoon.

Charles F. Brooks, who resides with his son, Noble Brooks, on Washington street, suffered a shock of paralysis on Monday evening about 8 o'clock at his home. His right arm and leg were affected by the shock. It is understood Mr. Brooks had been complaining of not feeling well during the afternoon. Medical assistance was immediately summoned and he was made as comfortable as possible. Later reports indicate a slight improvement.

Sixtieth Wedding Anniversary.

Many friends in Addison county will be interested to know that August 28th next will be the sixtieth anniversary of Ex-President and Mrs. C. B. Hulbert, who are now residing at Bowling Green, Ohio. A happy old age is their future with their children and their children's children. They are both octogenarians and are strong and well enough to enjoy all the days. Dr. Hulbert is still busy with his pen and Mrs. Hulbert keeps the liveliest interest in all life about her.
